Lauderdale-By-The-Sea Commission  
Process for Choosing Boards and Committees  
3/17/10

The current existing boards and committees in Lauderdale-By-The-Sea are comprised of the following entities and seats:

1. Master Plan Steering Committee: <sup>9</sup>~~10~~ seats
2. Planning and Zoning: 5 seats, 2 alternates
3. Board of Adjustment: 5 seats, 2 alternates

Each Committee and/or Board will be filled by selection by the Town Commission following the selection process defined in this document. Once the Committees and/or Boards are filled they will vote amongst themselves to choose a chairman and vice chairman of their respective entities. The selection process for members will be as follows:

1. Notification for acceptance of applications for committees and boards will be posted in town hall, on the town website and through town topics and other local publications giving ample time to receive and review applicants.
2. Applications will be forwarded to the Commission with no less than one week to review qualifications.
3. The Commission will request a date to review and choose board and committee membership during a regularly scheduled Commission Meeting.
4. During the time allotted for selection in the specified Commission meeting the Committee and Board members will be selected in the following order:
  - a. Master Plan Steering Committee

- b. Planning and Zoning
- c. Board of Adjustment

5. Each Commissioner will appoint a member beginning with the Commissioner at the far left of the dais (closest to the Town Clerk) and move directly to the Commissioner sitting at the right until the Commissioner at the far right of the dais has selected. Then, the selection process begins again with the Commissioner at the far left of the dais and continues in order until all seats and alternates are selected.
6. Each Committee or board shall be filled by selection following the order above. Once all seats are filled for each Committee or Board the selection process will continue with the next Committee or board beginning with the Commissioner next in order.
7. Once all seats are filled for all boards and committees the Commission will set a date for the first meeting for each and a date for a first update back to the Commission.
8. Any Board or Committee Member, or Alternate, that must be replaced will be replaced by an appointment by the Commissioner that originally appointed outgoing member or alternate.
